

NC STATE Crafts Center

LAB

Digital Fabrication + Conceptual Craft

Pricing Sheet

C:LAB is NC State's new digital maker-space for designing, prototyping, and extending traditional media practices into commercial production. We offer a flexible service model that enables multidisciplinary creation—combining engineering, art, craft, design, and more through our digital tools and physical facilities.

Cost of Membership:

- Includes 20 C:Lab Service Hours per semester:
 - **Level 1: \$60** - NCSU Students
 - **Level 2: \$105** - Seniors, Military, NCSU Staff/Faculty/Parents/Alumni
 - **Level 3: \$120** - General Public

	Equipment	Design & Consultation	Fabrication	Material Costs
Members	Trotec Lazer Cutter & Engraver	By Service Hours	By Service Hours	Project Dependent
	WAZER Water Jet Cutter	By Service Hours	By Service Hours	Project Dependent
	3D Printing (TBD)	By Service Hours	(TBD)	Project Dependent

	Equipment	Design & Consultation	Fabrication	Material Costs
Non-Members	Trotec Lazer Cutter & Engraver	\$20/hour <i>(Minimum 1hr charge)</i>	\$15/30mins <i>(Minimum 30min charge)</i>	Project Dependent
	WAZER Water Jet Cutter	\$20/hour <i>(Minimum 1hr charge)</i>	\$15/30mins <i>(Minimum 30min charge)</i>	Project Dependent
	3D Printing (TBD)	\$20/hour <i>(Minimum 1hr charge)</i>	\$30/hour <i>(Minimum 1hr charge)</i>	Project Dependent

**Facilities are not enabled for mass production—maximum Machine Operation Service time per project = 12 hours*
